

Smoky Mountain Pomsbies Waiting List Application

Thank you for your interest in our Pomsbies. We adhere to the International Pomsby Association's code of ethics. All of our puppies are DNA tested and confirmed as well as registered through the International Pomsby Association.

Please take a few moments to complete the following questions and tell us a little about yourselves, your family and your lifestyle. This application is not an agreement to sell you one of our Pomsbies or reserve a slot on our list, it merely allows us to evaluate your wants and desires in a companion dog and see if we can meet your needs. If we do not feel that we can fulfill your requirements in a puppy within an adequate amount of time, we may not place you upon our list.
